## Canada - National & Disclosure Network

GlobeNewswire provides targeted and saturated distribution of your news to the media and investment communities in Canada, fulfilling disclosure requirements for companies traded on Canadian exchanges. We offer a suite of Canadian distribution options to meet your specific needs. Our Canadian distribution network delivers your news to stock exchanges & regulatory authorities, investment communities, news agencies, newspapers, radio, television, financial database & websites, and industry-specific trades throughout Canada nationwide or a specific Canadian region/province/city.

Distribute in English. Distribution in French and French translation is available for selected Canadian distribution options upon request and for an additional charge.
