¹ VWAPcum = volume weighted average price at the day prior to the ex-day (8 decimals are used)
DIV = Dividend

New exercise and futures prices have been rounded off to two decimal places and received an "X" in the series designation. As a result of the adjustment the number of shares per contract has increased to 102 after rounding down to nearest full share, whereas exercise and future prices have decreased. The series have also received new ISIN-codes which are published below. The rounding off of future prices was made "trade by trade" and not on the net position.

Members are encouraged to ensure that clients are aware of the above-mentioned adjustment.
