Exchange Notice**IT 69/08****IT – Internal exercise in SAXESS TEST3 environment**

We are continuously monitoring our routines with a critical eye in order to meet customer demands. We therefore hold practice and response events in our test environments, so as to be able to ensure the best service possible in the event of an issue in production.

Please be advised that we are holding such a exercise and response event on 2nd September 2008. For this reason, if you use SAXESS TST3 between 13.15 and 14.45, you may experience technical issues.

Member actions

We therefore recommend that you do not access SAXESS TST3 between 13.15 and 14.45 on September 2nd.

Before and after this timeslot SAXESS TEST 3 is available as usual.
