Atlantic Petroleum P/F - transfer to the observation list

NASDAQ OMX Copenhagen has transferred the below company to the observation list today:

ISIN	Name
FO000A0DN9X4	Atlantic Petroleum P/F

Atlantic Petroleum P/F has been transferred to the observation list due to the fact that the company has announced that a re-financing of existing bridge loan facilities is expected to be announced in the near future, together with a share capital increase that is expected to take place in the course of 2009. A positive outcome of these refinancing activities is necessary for the company's ability to continue as a going concern.
