

The rights issue in Anoto is significantly oversubscribed

Lund, December 9, 2013 — The subscription period in Anoto's rights issue is now over and according to the preliminary outcome, the rights issue was subscribed to approximately 129 percent. In the rights issue, 260 437 137 shares are issued at a subscription price of SEK 0.25 per share, equivalent to approximately SEK 65.1m.

According to the preliminary outcome, shares for approximately SEK 54m have been subscribed with preferential rights, corresponding to 83 percent of the issue. In addition, shares for approximately SEK 30m have been subscribed without preferential rights. In total, shares for approximately TSEK 84m have been subscribed in the issue, which is equivalent to 129 percent of the issue.

When the final outcome is available, shares that have been subscribed without preferential rights will be allotted. The shares will be allocated according to the allotment principles set out in the prospectus published November 21, 2013.

"The strong participation in the rights issue is very positive. The capital raised in the issue will strengthen our balance sheet and enable us to pursue the growth opportunities we see in several of our segments." says Stein Revelsby, CEO of Anoto.
