About Zealand Pharma

Zealand Pharma A/S (NASDAQ OMX Copenhagen: ZEAL) (“Zealand”) is a biotechnology company based in Copenhagen, Denmark, with a leading position in the invention, design and development of novel peptide therapeutics. The company has built a broad and mature pipeline of drug candidates, all invented in house. The therapeutic focus is on cardio-metabolic diseases, diabetes/obesity in particular, and the lead product is lixisenatide, a once-daily prandial GLP-1 agonist for the treatment of Type 2 diabetes. Lixisenatide (licensed globally to and marketed by Sanofi as Lyxumia®) is approved in several countries, including Europe and Japan. The product is still undergoing regulatory review in certain countries, and in the U.S., an NDA is planned submitted in 2015, after completion of the ELIXA CV outcome study.

Zealand has a partnering strategy for the development and commercialization of its products and in addition to the license agreement with Sanofi in Type 2 diabetes, the company has partnerships with Boehringer Ingelheim in diabetes/obesity, Lilly in diabetes and obesity, Helsinn Healthcare in chemotherapy induced diarrhea and AbbVie in acute kidney injury.
