Aktia is striving to grow slightly more than the market in the sectors focusing on private customers and small companies.

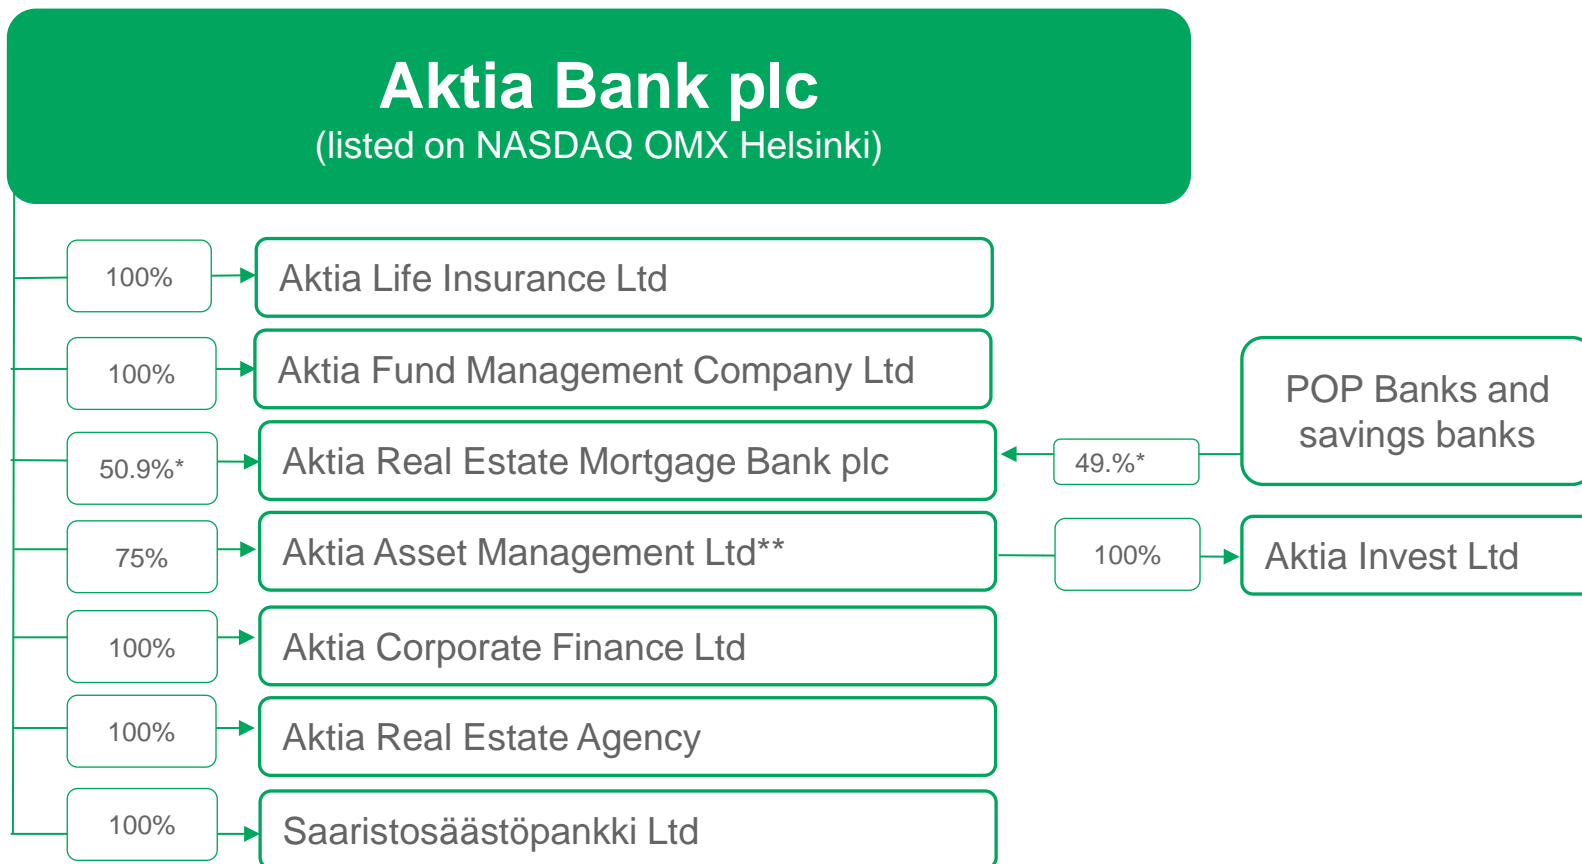

Aktia's Action Plan 2015 includes several individual measures and will be realised in steps with the aim of reaching the financial objectives for 2015.

Aktia's aim is to improve competitiveness and to become the Finnish champion of customer services in selected customer segments. Aktia will continue to strive for efficient and customer-friendly service, and to provide financial solutions for households, business owners, small companies and institutions.

OUTLOOK (NEW): Write-downs on credits are expected to be on the same level as in 2013. Despite the persistent low interest rate level the Group's operating profit from continuing operations for 2013 is expected to reach approximately the 2013 level.
