

Press Release
29 May 2014

The Commission approved the natural gas tariffs for household customers set by the Board of Directors of AB Lietuvos Dujos that will be effective from 1 July 2014

On 29 May 2014, the National Commission for Energy Control and Prices (hereinafter - the Commission) approved the natural gas tariffs for household customers set by the decision of the Board of Directors of AB Lietuvos Dujos of 22 May 2014 that will be effective from 1 July 2014.

The variable component of the natural gas tariff decreases for household customers, on average by 20%, due to a significant reduction in gas import prices and compensation applied due to the change in the terms and conditions of the import contract and the difference between the import prices for the year 2013.

The fixed component of the natural gas tariff for all subgroups of household customers' from 1 July 2014 shall remain unchanged.

Natural gas tariffs of AB Lietuvos Dujos for household customers that will be effective from 1 July 2014:

Consumer subgroup	Natural gas volume (Q) consumed per year	Two-component natural gas tariff for household customers (VAT inclusive)			
		Fixed component of the tariff, LTL /month (VAT incl.)		Variable component of the tariff, LTL / m ³ (VAT incl.)	
		Half 1 of 2014	From 01/07/2014	Half 1 of 2014	From 01/07/2014
1	up to 500 m ³	1.95	1.95	2.67	2.28
2	from 500 m ³ to 20 000 m ³	13.76	13.76	1.87	1.45
3	more than 20 000 m ³	13.76	13.76	1.84	1.42

Before 1 June 2014, approved by the Commission natural gas tariffs for household customers, that will be effective from 1 July 2014, will be published in the AB Lietuvos Dujos website: www.dujos.lt

AB Lietuvos Dujos also informs that due to the agreement reached in May 2014 by AB Lietuvos Dujos with the gas supplier OAO Gazprom on natural gas, imported by the Company, price reduction, the Company submits proposals for all its 6.5 thousand non-household customers to amend the terms and conditions of the natural gas purchase and sale contracts, that will allow to reduce the price of natural gas (product) already for the month of May.
