

Stock Exchange Notification No. 7/2007

April 24, 2007

Notification concerning annual general meeting held in Auriga Industries A/S

On April 24, 2007, Auriga Industries A/S held its annual general meeting at the company's offices in Harboøre, Denmark.

At the general meeting, the Chairman of the Board of Directors, Managing Director Povl Ulrik Skifter, presented the annual report, mentioning among other things that:

- Auriga recorded a loss before tax of DKK -92 million for 2006 with Cheminova recording its worst results ever as a result of unfavourable climatic conditions and difficult market conditions in Brazil.
- Consolidated cash flow from operating activities improved and amounted to DKK 124 million against DKK 18 million in 2005.
- Cheminova had a difficult situation in most markets and had to make an extraordinary write-down of DKK 100 million in Brazil. Hardi also recorded a loss as sales in the three main markets in Australia, France and North America failed. Skamol saw growth in sales for the most important business segment, the aluminium industry, and returned satisfactory results.
- The Auriga stock fell by 17 per cent in 2006 after an increase of 67 per cent the year before. Liquidity remains high, and 11.4 million Class B shares with a combined trading value of DKK 1.9 billion were traded.
- The divestment of Hardi and Skamol is proceeding according to plan.
- Cheminova's corporate social responsibility (CSR) report contains plans, among other things, for the phasing-out of Class I products and for ensuring the correct application of these products in the phasing-out period.
- All three companies saw growth in the first quarter of 2007 with both revenue and results exceeding the outlook at the beginning of the year. The outlook for 2007 as a whole is maintained.

President & CEO Bjørn Albinus presented the income statement and balance sheet as well as the proposed appropriation of results.

The general meeting adopted the annual report and the proposal from the Board of Directors that dividend of DKK 2.40 be paid per share of DKK 10.

Povl Ulrik Skifter, Ole Steen Andersen, Povl Krogsgaard-Larsen and Ernst Lunding were up for election. Povl Ulrik Skifter resigned on account of his age, while Ole Steen Andersen, Povl Krogsgaard-Larsen and Ernst Lunding were re-elected, and Karl Anker Jørgensen was elected as a new member of the Board of Directors. Deloitte, statsautoriseret revisionsaktieselskab, was re-appointed as auditors.

A resolution authorising the Board of Directors to let the company acquire treasury shares representing up to 10 per cent of the share capital was adopted.

The resolutions to amend Articles 6, 8.2 and 14 of the Articles of Association were also adopted.

The proposal from the Association of Critical Shareholders (*Foreningen af Kritiske Aktionærer*) that the general meeting urge Cheminova to immediately phase out the production and sale of all Class I toxic products was not adopted.

On a board meeting, Executive Vice President Ole Steen Andersen was elected Chairman of the Board of Directors, while Professor Povl Krogsgaard-Larsen was elected Deputy Chairman.
