Announcement no. 9/2007

Maconomy A/S and Marstrand Innovation A/S enter into an OEM agreement

Copenhagen, April 13, 2007. Maconomy has today entered into an OEM agreement with Marstrand Innovation about delivery of a capacity planning component to Maconomy's upcoming solutions which will be released May 1, 2007.

This agreement does not change Maconomy's financial expectations for 2007.

About Marstrand Innovation A/S

Marstrand Innovation develops planning systems based on advanced modular technology, (MI Capacity™). MI's partners were originally behind the creation of the simulation system: Lawson Advanced Production Planner (formerly known as Movex APP and originally PMSIM) and has taken the experience from complex manufacturing planning to the field of multi project resource planning using the Microsoft based .NET™ technology.
