## **Bo Ringdahl appointed Managing Director of HiQ Stockholm**

**Bo Ringdahl has been appointed Managing Director of HiQ's subsidiary HiQ Stockholm after having been acting MD since November 2006.**

- Bo Ringdahl has worked as sales person and group manager at HiQ Stockholm the past 10 years and together with other employees in Stockholm helped to develop the company to one of the most successful consultancies in the Stockholm market. The past six months Bo has shouldered the responsibility as acting MD in a very good way and I look forward to seeing him and all the others continue developing HiQ Stockholm in a good way in the future, says Lars Stugemo, president and CEO of HiQ.

Bo Ringdahl has long and solid experience of leadership within the consulting industry from his work at HiQ and earlier positions within the IT- and telecom industry.

- HiQ Stockholm, as well as other HiQ subsidiaries, is presently acting in a market characterized by very strong demand and also strong competition for employees. Our challenge is to continue delivering high quality services to our clients and to develop our employees and ensure that we can continue being the leading consulting company in our market. HiQ has the most skilled employees in the Nordic region and a very strong brand with leading companies in Sweden as well as internationally. I am very proud to get the opportunity to lead HiQ Stockholm towards new goals, says Bo Ringdahl, new Managing Director of HiQ Stockholm.
