

Rejlers signs contract with TeliaSonera in Finland

(REJL B)

Rejlers has signed a contract with TeliaSonera in Finland concerning real estate management for TeliaSonera's production premises. The contract comprises more than 100 real estates in Finland and employs 8 full time employees at Rejlers.

Rejlers has previously conducted energy investigations for TeliaSonera in Finland and also real estate management for TeliaSonera in Sweden. The new contract is an important step in further increasing the collaboration.
