

ELEKTA REFINANCES 5 YEAR CREDIT FACILITY

PRESS RELEASE

Stockholm, April 3, 2007

Today, Elekta AB (publ.) signed a five year extendable USD 175 million Multi-Currency Revolving Credit Facility. The coordinating Mandated Lead Arranger was SEB Merchant Banking and the Mandated Lead Arrangers were Banc of America Securities Ltd., Danske Bank and SEB Merchant Banking.

The Facility will be used to refinance Elekta's existing USD 125 million Multi-Currency Revolving Credit Facility dated 17th January 2005 with the same lenders, and for general corporate purposes.

The new Facility offers better conditions in pricing as well as terms and conditions and further strengthens Elekta's long term financing structure.

About Elekta

Elekta is an international medical-technology Group, providing meaningful clinical solutions, comprehensive information systems and services for improved cancer care and management of brain disorders. All of Elekta's solutions employ non-invasive or minimally invasive techniques and are therefore clinically effective, gentle on the patient and cost-effective.

Clinical solutions include among others Leksell Gamma Knife® for non-invasive treatment of brain disorders and Elekta Synergy® for image guided radiation therapy (IGRT). Following the acquisition of IMPAC Medical Systems Inc. in April 2005, the Elekta Group is the world's largest supplier of oncology software.

Elekta's systems and solutions are used at over 4,000 hospitals around the world to treat cancer and manage clinical operations as well as to diagnose and treat brain disorders, including tumors, vascular malformations and functional disorders.

With approx. 2,000 employees, Elekta's corporate headquarter is located in Stockholm, Sweden and the company is listed on the Stockholm Stock Exchange under the ticker EKTA. For more information about Elekta, please visit www.elekta.com and for more information about IMPAC Medical System please visit www.impac.com.
