

The Nordic Exchange welcomes Enalyzer to First North

Trading in Enalyzers shares will commence today on First North in Denmark. Including Enalyzer, First North now comprises 86 companies in Denmark, Sweden and Iceland.

Enalyzer A/S was founded in 2000 and works with online software and consultancy in the field of digitized relation surveys.

The company's core competencies are based on software development, market research as well as sales and marketing. They are active within RelationsIntelligence - digitized relation surveys, which better the companies regarding decision making within People, Business and Society relations.

"Enalyzer is a fascinating company, which we are happy to welcome. First North is an interesting market and Enalyzer reinforces the variation and versatility First North represents", says Jan Ovesen, President, OMX Nordic Exchange in Copenhagen.

A round lot of shares in Enalyzer, whose short name is ENALYZ, amounts to 10. Enalyzer is included in the Information Technology sector.
