HFF's Apartments held for sale

Property portfolio

The HFF owned 531 properties throughout Iceland by the end of June. Over the course of the month, the fund sold 26 properties and 4 apartments were added to the HFF's portfolio. In addition, purchase offers for 32 properties have been accepted and bidders are currently engaged in financing the purchases.

Undergoing the sales process were 157 properties, most of which are already available for purchase, others are going through sales registration. A number of 307 apartments were rented throughout the country. A majority were rented to families and individuals who resided in the properties when the HFF acquired the properties.

All estate agencies in Iceland may sell the HFF's properties. The HFF has a partnership agreement with the Association of Estate Agents (Félag fasteignasala) as regards to the procedures that must be employed when selling properties owned by the Fund. The Fund's properties are rented at market price, taking into account comparable properties according to location, size, age, etc.

The table to the right contains an overview of the location of properties, categorized according to regions and their use/disposal. At the end of June 482 properties or 91% of the HFF's portfolio have been rented or are undergoing the sales process or other procedures. A further 49 properties await assessment and will they either be rented out or go into sales process.
