OMX offers continued trading in Nokia in SEK

In relation to the launch of the Nordic Exchange, Nokia decided to be listed on the Nordic Exchange in Helsinki, traded in EUR. Together with market participants, OMX has decided to offer trading in Nokia in SEK during a transitional period.

The Nokia share will be traded on OMX Nordic Exchange both in EUR and in SEK. To ensure liquidity in the Nokia share trading, several of the exchange's members will act as market makers and thereby guarantee that buy and sell prices in SEK are continuously available.

OMX will also continue to include Nokia in Swedish indices and provide derivatives products based on the Nokia share in SEK.
