GROUP 4 SECURICOR PLC

Divestments of Cognisa Transportation, Inc. and G4S Geld und Wertdienste GmbH

Group 4 Securicor (G4S), the international security solutions group, announces the following divestments:

The business and assets of Cognisa Transportation, Inc. have been acquired by First Transit, Inc., a subsidiary of FirstGroup plc, for an initial cash consideration of £8 million, with a further deferred element being conditional upon future performance.

G4S Geld und Wertdienste GmbH, the German cash services company, has been acquired, for a nominal sum, by a newly incorporated company owned by Dr Matthias Berg. G4S has made available a vendor loan of up to £5 million and has also agreed to meet certain expenses relating to the company estimated to be around £6 million.

The combined effect of these transactions is a book write-off of around £20 million, which includes £8 million of goodwill.

Both of these businesses will be treated as discontinued in the results for the 2006 financial year.
