

# Aktietorget

**As of March 3, Aktietorget will change opening hours and introduce a closing call.**

## Description of changes:

- Continuous trading will start at new time CET 09:20
- Closing call is introduced, starting at CET 17:20
- Stabilization period in opening call is no longer valid
- Number of visible price levels during Call Interaction (CLIN) will be five (5)
- Accept of odd lot orders is introduced (valid only for internal orders)
