Exchange Notice

Norwegian Stock Products 3/07

Adjustment due to offer on Tandberg Television

In the voluntary public cash offer to acquire all outstanding shares in Tandberg Television ASA (TAT), Ericsson has received acceptances and purchased shares representing 87,4 % of Tandberg Television. Ericsson waives the 90 % acceptance condition.

Due to the low free float/difficult stock lending situation in TAT, TAT will be deleted from the OBX from and including tomorrow 21st March. TAT will thus be deleted at close price today.

The forward contracts in TAT will be de-listed.

Any questions regarding this Exchange Notice can be directed to Are Grongstad or Linus Lönnroth at Oslo Börs on phone number +47 22 34 17 00.
