Marketplace Announcement

First North 118/07

Information regarding trading in Ancora Energispar AB

As a result of a handling error, Ancora Energispar AB, was wrongfully registered in the trading system among other traded companies on the Stockholm Stock Exchange's alternative market place First North. Due to this erroneous registration in the trading system the trading in the company has been technically halted. This inaccuracy in the system will be corrected by removing the company from the trading system, as from Monday the 18th of June, 2007.

For further information, please contact Anders Acebo at the Stockholm Stock Exchange at +46 8 405 70 10.
