OMXC20 Index information

Adjustment of TORM reduction of capital in the OMXC20 index

On July 6, 2007 the board of TORM A/S (TORM) has decided to propose an extraordinary dividend for the distribution of the DKK 2 billion resulting from the sale of the shares in Dampskibsselskapet Norden. The board has for this reason decided to convene an extraordinary general meeting on August 14, 2007. Assuming that the general meeting will grant this authority the distribution of the extraordinary dividend will take place in the beginning of September, 2007.

The distribution of the DKK 2 billion will be treated in the OMXC20 index as an extraordinary dividend. In accordance with the Guidelines for Calculation of the OMXC20 Index the TORM (DK0060082915) dividend will be adjusted according to rule 5.3.7 in the OMXC20 index. Additional information will be published when the ex-date is known or if new information arises.

Provided that the above mentioned conditions are fulfilled, the adjustment will be performed effective on the ex-date, by subtracting the part of the dividend that exceeds 10 % of the closing price on the day prior to the ex-date.

Example

Closing price_{t-1}: CLP

Dividend: DIV

$$\text{Adjustment Factor}_t = \frac{CLP - (DIV - (CLP * 0,10))}{CLP}$$
