Exchange Notice

Finnish Stock Products 26/07

Binary options available in Click/Secur from November 26

To continue the development of the Nordic derivatives market OMX will as from the 26th of November 2007 make binary options (OverUnder) available in Click/Secur.

To start with, binary options will be available for Ericsson B, Nokia (EUR) and OMXS30 index as underlyings. The ambition is to extend the offering in the near future with more binary options on a selection of the most traded Nordic stocks.

Contract details can be found on the following page.

For more information concerning this exchange notice, please contact Micael Eriksson or Tomas Körberg, telephone +46 8 405 60 00.
