Exchange Notice

Swedish Stock Products 73/07

Listing of options and futures in East Capital Explorer AB

As from November 12 you will be able to trade standardized options and forwards in East Capital Explorer!

East Capital Explorer is a newly established Swedish company offering a unique possibility to invest in Eastern Europe with exposure towards both listed and unlisted companies. As of today unlisted East European companies has been almost inaccessible for institutional investors and investments has required a large amount of capital. East Capital Explorer will change that. East Capital Explorer will be listed at OMX Nordic Exchange Stockholm AB as from November 9, 2007.

Options and forwards in East Capital Explorer will be included in group 1 with expiration months in February, May, August and November. However, initially series with expiration in December and February will be listed.

In OMX's derivative trading and clearing systems, the ticker symbol for East Capital Explorer will be ECEX. The underlying code for East Capital Explorer will be 1521. For margin calculation purposes, East Capital Explorer is included in group D of the parameter value list with a scanning range of +/- 20 percent.
