Change of expiration month for 24 months Scania series

OMX Derivatives Markets has decided to change expiration month for series with a term of 24 months for underlying shares in Quotation Group 1. A change of expiration month from January to February will result in a match with the quotation cycle for series with a 6 month term (please see tables below). *Only new series in Scania will be affected by this change.*

Existing series with expiration in January 2008 will continue to expiration. Series with expiration in February 2009 will be available for trading from November 19, 2007. Series with expiration in February 2010 will be available for trading, through normal series generation procedure, from February 11, 2008.
