Definitive list of constituents in OMXS30 index

The changes of constituents included in OMXS30 Index for the first half of 2008:

Autoliv Inc. SDB (SE0000382335) will be deleted from OMXS30 and will be replaced by Lundin Petroleum AB (SE0000825820).

On the first day a new index share is included in OMXS30, the calculation of the index value shall be based on the average price for the index share on the preceding day, until such time as the first transaction price for the index share is registered on the Exchange. During the last day an index share is included in OMXS30, the calculation of the index value shall be based on the average price.

Enclosed is the definitive list of constituents in OMXS30 index for the first half of 2008. The definitive list includes constituents and updated number of shares that will be included in the OMXS30 index calculation from January 2, 2008.
