## Exchange Notice

Shares 10/08

### A-Com AB to the observation segment

Today, Monday January 21st, 2008, A-Com AB, announced that a new board has been elected at the extra shareholders meeting. The current rules of the OMX Nordic Exchange Stockholm AB state that the board of directors of a listed company must be composed so that it sufficiently reflects the competence and experience required to govern a listed company and to comply with the obligations of such a company. The Exchange will normally consider the members of the board being sufficiently familiar with such circumstances if they have been active in their respective current positions in the company for a period of at least three months. It is also important that all members of the board have a general understanding of stock market rules.

OMX Nordic Exchange Stockholm finds that the company, at this time, does not fulfill the listing requirements.

With reference to what is stated above, OMX Nordic Exchange Stockholm AB has decided that the shares in **A-Com AB** (ISIN code SE0000592677 and order book ID 4287) will be placed on the observation segment until further notice.

The shares will be transferred with effect from **Tuesday January 22<sup>nd</sup>, 2008**.
