## Exchange Notice

IT 20/08

### IT – Reminder: New Certificate lists

As from today, **March 10 2008**, OMX Nordic Exchange has launched a new trading structure for certificates.

Members and vendors that don't have download the new codes for the submarkets and turnover lists; will not be able to see the latest price information, from the certificate market.

OMX **strongly recommend** that all members and vendors to connect to the new submarkets and turnover list codes for the certificates; so your customers can see and trade on the latest price updates, from the certificates market.
