Change of strike price interval for IOB DR Options

There will be a change of the strike price interval used for listing of new option series on the IOB DR Options market as of Tuesday 1 April 2008. All automatically generated series will have the following strike price intervals:

New Exercise Interval

Exercise Price	Interval (USD)
0.01 - 4.99	\$0.10
5 - 9.99	\$0.25
10 - 14.99	\$0.50
15 - 29.99	\$1.00
30 - 100	\$2.00
101 - 200	\$5.00
200 - 300	\$10
301 +	\$20

One At-The-Money, two In-The-Money and two Out-The-Money strikes will be generated using the new intervals, to be available for trading on 1 April 2008.

Please note that all current strikes with open interest will remain in the orderbook and are unaffected by this change. Existing strikes with no open interest that do not fall within the new intervals will be delisted and unavailable to trade as of 1 April 2008.
