

Exchange Notice**IT 57/08****IT – Changed marking of certain shares in the SAXESS trading system**

The following two changes will be implemented in the SAXESS trading system as from July 1, 2008.

1. All listed companies that have a secondary listing at OMX Nordic Exchange Stockholm AB, i.e. have their shares primary listed at another regulated market place, will be marked with an “S” in the SAXESS trading system.

The following companies will receive the above mentioned “S” marking:

Stora Enso Oyj ser. A och R
TietoEnator Abp
AstraZeneca PLC
Kaupthing Bank hf.
Millicom International Cellular S.A.
ABB Ltd
Autoliv, Inc.
EpiCept Corp.
Lawson Software Inc.
OXiGENE, Inc.
PA Resources AB

2. Companies that have been officially listed at OMX Nordic Exchange Stockholm AB are today marked with an asterisk (*) in the SAXESS trading system. This marking will be removed as from the above mentioned date due to the fact that there no longer exist any differences between companies that have been officially listed and companies that have shares that are admitted to trading.
