---

Lapland Goldminers AB is an exploration company with producing mines. The Company is listed on the market place "First North" under the name GOLD, with Mangold Fondkommission AB as Certified Adviser, as well as on the Norwegian OTC list. Lapland Goldminers strategy is to develop into a profitable, producing gold company, with centrally located processing plants in gold regions. The company is strategically positioned with the Blaiken Gold Operation and the fully permitted Fäboliden Gold Project on the Västerbotten Gold Line in Sweden, with the Pahtavaara Gold Operation in the north of Finland and with its gold projects in the Haveri area in south of Finland. The processing plants will be supported by ore from one or several mines either through the Company's own exploration or through acquisitions. Lapland Goldminers is a member of SveMin, the Swedish association for mines, minerals and metal producers, and follows SveMin's reporting rules for public mining and exploration companies.
