Unfortunately the submarket IDs and sequence numbers shown in the IT Notice 79/08 sent out yesterday were incorrect. Below the correct IDs and sequence numbers are inserted. We apologize for any inconveniences this might have caused you.

Two new sub markets

- OMX CPH Structured bonds Retail (Submarket ID 319, seq. no. 164)
- OMX CPH Corporate and other bond (Submarket ID 320, seq. no. 165)

are to be launched, and order books will be moved from the OMX CPH Ordinary Bonds sub market to these new sub markets. Furthermore, the maximum validity of orders will be changed from 1 to 8 days in the ordinary bond sub market.

These changes must be implemented after the launch of the SAXESS 5.0.1 release.
