Exchange Notice**Norwegian Stock Products 24/08****INFORMATION REGARDING CIRCUIT BREAKERS AND DERIVATIVES**

A circuit breaker causes the trading in the underlying instrument to automatically change into an auction state.

When a circuit breaker is triggered, Oslo Børs may choose to halt the automatic matching of derivative contracts applying to this instrument. However, Oslo Børs is not responsible for any transactions carried out via EMP during the auction period.

For further information concerning this exchange notice please contact Preben Danielsen or Linn Furuvald, telephone + 47 22 34 17 86/ +47 22 34 17 55.
