Exchange Notice**IT 106/08****IT – Internal exercise in the SAXESS TEST3 environment**

We are continuously monitoring our routines with a critical eye in order to meet customer demands. We therefore hold practice and response events in our test environments, so as to be able to ensure the best service possible in the event of an issue in production.

Please be advised that we are holding such an exercise and response event on 9th December 2008. For this reason, if you use SEXTST3 between 13.15 and 14.45 CET, you may experience technical issues.

Member actions

We therefore recommend that you do not access SEXTST3 between 14.15 and 15.30 CET on 9th December.

Before and after this timeslot SAXESS TEST 3 is available as usual.
