IT – Submarket name change on SAXESS Trading system

As of March 10, a submarket name will be changed

This submarket will now be used for trading of credit certificates. There has previously been no listing or trading activity on this submarket. Credit certificates enables retail investors to get access to the mainly institutional credit market, with products consisting of a single or a group of bonds as underlying.

See the following details for names and ID.

Submarket:

<i>ID</i>	<i>Sequent</i>	<i>Code</i>	<i>New Name</i>	<i>Previous/old Name</i>
248	106	SEBO TMBY	OMX STO Credit Certificates	OMX STO Tailor Made Products Yield

Submarket List:

<i>List no</i>	<i>Name</i>
1	Credit Certificates

New Turnover List:

<i>List</i>	<i>No/ID</i>	<i>List Heading</i>	<i>No/ID</i>
Credit Certificates	114/117714	Credit Certificates	10/117715

Order books on this submarket are traded on quantity. Instrument type is warrant. No change of ID on submarket and submarket list, except for name changes according to the specification above. However there will be a new public turnover list. Opening hours will be the same as for the ordinary Warrants-market.

Time plan

This change can be tested and verified in external test systems, SEXTST1 and SEXTST3, as from Monday, March 2. SAXESS production system will be changed as from Tuesday, March 10.
