

**Exchange Notice**

**IT 35/09 (correction)**

IT – As of April 27, a new submarket list and turnover list are launched for submarket OMX STO Retail Bonds Price

NASDAQ OMX Stockholm have for some time received queries from investors and market participant regarding the possibility to trade corporate bonds on the exchange. Historically the corporate bond market has been an OTC market for mainly institutional investors. With this new segment NASDAQ OMX Stockholm respond to their needs and launch an electronically traded corporate bond segment targeting retail investors.

**As of Monday, April 27**, we will launch this new submarket list for electronically traded corporate bonds targeting retail investors.

List ID's are described in the following tables.

Existing Submarket (to which the submarket list is connected)			New Submarket List	
Code	Seq.no	Name	No	Name
SEBO BND	7	OMX STO Retail Bonds Price	15	<b>Retail Corporate Bonds Price</b>

Fig 1 – new submarket list

Also an associated turnover list is launched as described in the following table.

List no	Name	Heading no	Name
<b>118960 (corrected)</b>	<b>Retail Bonds</b>	60	<b>Retail Corporate Bonds Price</b>

Fig 2 – new turnover list

The setup described above has been available for testing in the external test system SASTST3 since April 15.
