Exchange Notice**IT 43/09****IT – Invitation to IT Forum in Stockholm and Helsinki**

Nasdaq OMX is pleased to invite you to an IT seminar to be held on Tuesday 19 May 2009 in Stockholm or Wednesday 20 May in Helsinki. For members located in London or continental Europe, bilateral meetings have recently been held. Please contact Paul Mulholland +44 (0)20 7065 8016 if you need further information. An IT Forum in Copenhagen will be announced later in May to be held in June.

The seminar is targeted primarily at IT personnel, and the objective is to inform about our future plans;

Agenda:

- Nasdaq OMX INET Project
- Nasdaq OMX CCP Project
- Nasdaq OMX FIX for SAXESS and CLICK
- Nasdaq OMX Infrastructure and Connectivity
 - Future requirements and opportunities
 - Verizon Financial Network
