Acando and Tibnor sign 4-year SAP hosting agreement

Acando and Tibnor have signed a 4-year agreement for hosting of Tibnor's business critical SAP system. The agreement is worth approximately 15 million SEK.

The agreement entails that Acando takes on the responsibility for the support, operation and data centre for Tibnor´s SAP system. With a safe and cost efficient SAP hosting, Tibnor can focus on its core business and proactively strive for operational excellence in their business processes.

"Acando is a long term partner for our SAP solutions. The fact that they are a certified SAP Hosting Partner and work according to ITIL standards is important as quality assurance for us", says Dag Åselius, CIO, Tibnor AB.

"This agreement strengthens Acando's position in the important after market for SAP services. Acando has worked with these services for 10 years and has a well established service offering within SAP application management", says Carl-Magnus Månsson, Managing Director and CEO of the Acando Group.
