Atlas Copco acquires Czech compressor service company

Stockholm, Sweden, September 8, 2009: Atlas Copco s.r.o. has acquired Servis A.C. s.r.o., a privately owned compressor service provider in North Moravia in the Czech Republic, to further strengthen the presence and service to customers in the area.

The acquisition of Servis A.C. also provides an opportunity for increased sales of compressed air equipment and aftermarket products in the region, which is an important center for industrial activity in the Czech Republic with general industries, mining, steel plants, automotive and chemical industry.

Servis A.C., which has 10 employees and annual revenues of about MSEK 10, will be integrated with Atlas Copco's division Compressor Technique Service.

Atlas Copco may be required to disclose the information provided herein pursuant to the Securities Markets Act.

Atlas Copco is a world leading provider of industrial productivity solutions. The products and services range from compressed air and gas equipment, generators, construction and mining equipment, industrial tools and assembly systems, to related aftermarket and rental. In close cooperation with customers and business partners, and with 136 years of experience, Atlas Copco innovates for superior productivity. Headquartered in Stockholm, Sweden, the Group's global reach spans more than 160 markets. In 2008, Atlas Copco had 34 000 employees and revenues of BSEK 74 (BEUR 7.7).
