

## NASDAQ OMX will launch CCP Clearing with a Soft Launch on October 9<sup>th</sup> 2009

As previously communicated, NASDAQ OMX will launch Central Counterparty (CCP) services for the Nordics in a two-phased approach. As part of the Soft Launch, three instruments per market will be launched for CCP clearing on each of NASDAQ OMX Stockholm, Helsinki and Copenhagen on October 9th, 2009. This will be followed by a Full Launch including the remainder of the in-scope instruments on October 19th.

The below instruments will be CCP cleared from October 9th as part of the Soft Launch:

| NASDAQ OMX CPH         |              |                 |                |              |                   |
|------------------------|--------------|-----------------|----------------|--------------|-------------------|
