

**Exchange Notice****IT 85/09****IT – CCP Launch communication regarding Soft Launch on October 9th**

As previously communicated, NASDAQ OMX will launch Central Counterparty (CCP) services for the Nordics in a two-phased approach. As part of the Soft Launch, three instruments per market will be launched for CCP clearing on each of NASDAQ OMX Stockholm, Helsinki and Copenhagen on October 9th, 2009. This will be followed by a Full Launch including the remainder of the in-scope instruments on October 19th.

In order to prepare for the Soft Launch, details regarding the steps taken by NASDAQ OMX on the October 8th and 9th and support available to participants are outlined in this notice. A follow-up notice regarding the arrangements for the Full Launch will be published on October 14th.

**Tuesday October 6th**

On October 6th, the following CCP submarkets are available in SAXESS production without any order books:

ID	Sequent	Code	Name
343	183	DKEQ SHR CCP	OMX CPH Equities CCP
341	181	FIEQ SHR CCP	OMX HEL Equities CCP
342	182	SEEQ SHR CCP	OMX STO Equities CCP

**Thursday October 8th**After closing call

After closing call, NASDAQ OMX will flush the order books that will be moved to CCP submarkets, see list below. Order books are flushed between 17:50 – 18:00 CET.

Trades in below instruments where trade publication is deferred to end of trading day or more will be published on Thursday evening: in Copenhagen before 17:20 CET, and in Helsinki and Stockholm before 18:00 CET.

After market close

Script to enable participants and instruments for CCP clearing will be executed in SAXESS production after market close.

The below instruments will be moved to the CCP submarkets as part of the Soft Launch:

By 21:00 CET

Following verification of the production setup, NASDAQ OMX will send out a confirmation message to participants at the latest by 21:00 CET. This is one hour later than previously communicated in order to accommodate launch related activities in NASDAQ OMX's surrounding systems. This launch confirmation message will be sent from the following address: [tradesupport.hel@nasdaqomx.com](mailto:tradesupport.hel@nasdaqomx.com). Additionally, those who have subscribed to the IT information on SAXESS changes will receive the information via this channel.

### Friday October 9th

04:35 CET onwards

On the launch day of October 9th, the dissemination server will be available for basic data load from 04:35 CET.

7:30 CET onwards

Order management will be available from 7:30 CET in Helsinki and Stockholm and from 8:00 CET in Copenhagen.
