## **GENOVIS: ANNUAL REPORT 2008**

As from today Genovis annual report 2008 will be available at the company's webpage [www.genovis.com](http://www.genovis.com)

This year Genovis will publish the 2008 Annual Report on the company website only, and since most people nowadays read the report on the web there is subsequently decreased demand for the printed version. By publishing the Annual Report on the company website only, Genovis contributes to minimizing the environmental impact by saving distribution and printing costs.
