## **IT – INET Nordic Test (NTF) – Update on disturbances in INET Test (NTF) (28/18)**

Nasdaq Nordic test system **INET Test (NTF), including Nordic Workstation Test**, is currently unavailable due to the data center incident that occurred on April 18<sup>th</sup>.

Nasdaq is working intensively on solving the remaining issues in our test systems and make them available for member testing. INET Test (NTF) is expected to become partially available during next week. Further information regarding the availability for member testing will be communicated early next week.
