

The Nomination Committee of Net Insight will propose to elect a new Board member to the 2010 Annual General Meeting

26 March, 2010

The Nomination Committee of Net Insight will propose to the 2010 Annual General Meeting on April 29, 2010 to elect a new Board member; Anders Harrysson former Vice President Central & North Europe of Sun Microsystems and thereby increasing the number of board members from six to seven.

Anders Harrysson has more than 20 years of international experience from senior positions in the IT industry, including 14 years at IBM with several years at the European Headquarters in Paris and the group's headquarters in the United States. Between 1998 and 2010 Anders Harrysson was Vice President at Sun Microsystems with responsibility for its activities in Northern Europe. Anders Harrysson holds a Master of Science in Engineering Physics from Linköping Institute of Technology and has done research at Stanford University, USA.

With this change, the Nomination Committee will propose to the Annual General Meeting on April 29, 2010 to increase the number of board members from six to seven and the following composition of a new Board of Directors of Net Insight AB; Lars Berg (Chairman of the Board), Clifford H. Friedman, Bernt Magnusson, Ragnar Bäck, Gunilla Fransson, Arne Wessberg and Anders Harrysson.
