*Concordia Maritime AB (publ) is an international tanker shipping company listed on the Nasdaq OMX Nordic Exchange in Stockholm. The company has ordered ten tankers, which are being built in accordance with the MAX concept. Six P-MAX-vessels have been delivered and four will be delivered during 2009/2010. These vessels, P-MAX, are product tankers of about 65,200 dwt. The MAX concept means that the vessels are designed for maximum loading capacity in shallow waters. They have been designed according to a new concept for safer oil transportation with double main engines in two completely separate engine rooms, double rudders and steering gear, two propellers and double control systems.
