No new standardized expiration months for option contracts on NDAFI (Nordea in Euro) after March 2019

Nasdaq Derivatives Markets has decided as of October 23, 2018, not to list any new standardized EUR-denominated expiration months after March 2019 for option contracts on Nordea Bank Abp (NDAFI).

Flexible Option series in EUR on NDAFI can be listed with expiration until June 20, 2019. Existing option contracts will still be available for trading until expiration.

There is no change in any SEK-denominated equity derivatives contracts on Nordea (NDASE).

The EUR-denominated forward contracts on NDAFI will continue to be listed according to Quotation List Finnish Equities Group 2 with the following maturities and expiration months:

- 3 months: All months
- 12 months: Mar, Jun, Sep, Dec

The additional expiry months in Forwards will be available for trading as of October 24, 2018. As usual, a separate Exchange Notice will follow on the newly listed Forward Series.
