

IT – INET Nordic – Optional inclusion of OUCH Reject messages in FIX Drop for OUCH (60/18)

Background

Based on member request Nasdaq Nordic has decided to enhance the current messaging for the FIX DROP for OUCH protocol, to include OUCH reject messages to the FIX DROP for OUCH protocol.

By default OUCH rejects will not be sent over the FIX DROP for OUCH according to current behavior.

Members can request to include Rejects to their FIX DROP for OUCH drop ports via [Nasdaq Member Portal](#).

Protocol specifications

Nasdaq has included OUCH rejects to the future FIX DROP for OUCH protocol specification. Current and new protocol versions are available at the Nasdaq Nordic Technical Information website, under [INET Nordic Protocol Specifications](#).

Time schedule

- INET Test (NTF) – November 6, 2018
- INET Production – November 19, 2018

Legal and Market Model

There will be no updates to the INET Nordic Market Model based on these changes.
