

# Press Release

23 April 2010 – 12 a.m.

## Peab builds railway leg in Norway / Vänerbanan

Peab has been contracted to build one of the phases of rail expansion on the route of Norway / Vänerbanan between Veland and Prässebo south of Trollhättan.

The contract amounts to approximately SEK 132 million and was ordered by Transport Administration. Work will begin immediately and expected to be completed in 2012.

The contract includes the construction of 3.5 km double track, a railway and a road bridge. The item also includes three short tunnels for double track.
