

PRESS RELEASE 2010-04-28

**Consilium receives Abu Dhabi order worth SEK 14 million**  
**Consilium has received an order to deliver fire safety systems for a fuel handling facility in Abu Dhabi, United Arab Emirates. The order value amounts to SEK 14 million.**

The contract comprises design, engineering, supply, testing and commissioning of a fire fighting system for a bulk storage and fuel handling facility in the Emirate of Abu Dhabi.

Consilium's solution includes gas suppression systems, fire alarm systems, deluge systems, hydrant systems, foam systems and fire water pumping systems.

"The positive development for business area Automation continues. We expect a considerable growth in sales the coming years", said Ove Hansson, Consilium's President and CEO.
