Change in the Executive Board of Scania

Christian Levin has been appointed Head of Sales and Services Management and will join Scania's Executive Board. He takes up his new position as from 1 September 2010 and succeeds Urban Erdtman, who will retire at the end of 2010.

Christian Levin, aged 43, is currently Managing Director of Italscania S.p.A. He joined Scania in 1994 and has held various managerial positions. Prior to his current position, Christian Levin was Managing Director of Scania Schweiz AG between 2005 and 2006.

For further information, please contact Erik Ljungberg, Senior Vice President Corporate Relations, tel. +46 8 553 835 57.

Portrait photo of Christian Levin is available on Scania's homepage.

Scania is one of the world's leading manufacturers of trucks and buses for heavy transport applications, and of industrial and marine engines. A growing proportion of the company's operations consists of products and services in the financial and service sectors, assuring Scania customers of cost-effective transport solutions and maximum uptime. Employing some 32,000 people, Scania operates in about 100 countries. Research and development activities are concentrated in Sweden, while production takes place in Europe and South America, with facilities for global interchange of both components and complete vehicles. In 2009, net sales totalled SEK 62 billion and net income amounted to SEK 1.1 billion.
