## Peab builds a dam for LKAB in Kiruna

Peab has been contracted to build a new dam in Kiruna. The customer is LKAB and the contract amounts to SEK 185 million.

The routes of the existing railway line through Kiruna have changed, and therefore the future landfill capacity will be ensured by the construction of a new dam, in the context of the new railway line.

The work, which the majority consists of cut and fill of sand and crushed rock, will begin in spring 2010 and is expected to be completed in September 2011.
